

PROGRAMME INFORMATION

Fife Council invites you to participate in Build Fife. A programme run in partnership with Hub East Central Scotland and Tier 1 contractors aimed at companies in construction and associated sectors in Fife with aspirations for growth. The programme runs weekly from 30th January to 19th March 2025 where you'll learn from business experts, engage directly with Tier 1 contractors as well as developing relationships with fellow businesses.

The programme has been carefully designed to help you improve business capability, open opportunities for growth while providing ongoing development support and guidance.

Build Fife offers an exciting opportunity to build capability, relationships, engage face to face with Tier 1 Contractors and ultimately build your business.

Build Fife is free to attend but businesses MUST commit to attend all 8 weekly sessions
